

JEAN-MARC BURGAUD *Morgon Côte du Py VV*

The appellation of Morgon is a Beaujolais cru, one of those villages whose wine has gained special recognition.

Morgon and Moulin-a-Vent are seen as the top two of these appellations. Their wines draw comparison with Burgundy, not with the juicy-fruit nouveau we see at Thanksgiving. Within Morgon itself, Burgaud's wines are rated among the very best. Purity of fruit matches the unusually vigorous structure and gives a wine of savoury character and flawless charm. Delicious!
