

## LA SAUVAGEONNE LES RUFFES

*(Coteaux du Languedoc)*

This estate recently changed hands, with the wine now being made by Gavin Crisfield, a young Englishman who worked formerly as a sommelier. The blend, of Syrah (40%), Grenache (30%) and equal parts Carignan and Cinsault, sees no wood at all. Juicy, with lovely cherry and red fruit, it has pepper and a hint of garrigue as well.
