

## CHÂTEAU DE BRONDEAU

*(Bordeaux Supérieur)*

No Cab! Cabernet Sauvignon that is – but lots (84%) of plump and juicy Merlot, and the balance in the other Cabernet – Cabernet Franc. The latter adds tart cherry and herbs to the mix. It's all select fruit from old vines, vinified in small lots with a cold soak. The result is medium-bodied and sophisticated, a well-balanced example of what Bordeaux does best. This is red wine for grown-ups, full of character, and savoury to the last drop.
