

DOMAINE LE CAPITAINE

“Les Aumones”

(Vouvray)

Superbly made Vouvray (a name too often associated with diluted sugar). Les Aumones is a wine with richness, but also definition and intriguing complexity. It is evocative of fresh-turned earth in spring, but also of the wildflower-filled meadows of summer, and the succulent harvests of early autumn. Fruity and floral, fresh and crisp, this wine makes a perfect aperitif, and complements Asian cuisine particularly well. Try it with lemongrass chicken or mushroom sea-bass.
