

# CHÂTEAU TOUR DE MIRAMBEAU

*(Entre-Deux-Mers)*

*T*ry a different label if you're searching for the usual "ee-two-em", because here's where Bordeaux's Despaigne family has fashioned an exquisite exception to the norm. This wine exhibits a lush and lovely purity which most from the appellation lack. Delicate flowery aromas introduce a fresh, almost silky texture in the mouth, and a tidy dry finish. Try this tasty, medium-bodied white with any seafood dish, as well as most chicken recipes. And Mirambeau makes a great aperitif as well, so keep a bottle available in the fridge!
