

## LUC PIRLET CHARDONNAY

*(Vin de Pays d'Oc)*

**G**rape varieties like Chardonnay can create delicious wines in the warm lands to the south. Part of the key is to find ways to retain the crisp and lively flavors that make white wine so good. Luc Pirlet has crafted here a floral bouquet with citrus aromas, complemented by a touch of oak. This full-bodied Chardonnay is both smooth and complex, with a tasty, lingering finish. Super to share with friends!
