

MERLOT

LUC PIRLET

(Vin de Pays d'Oc)

Soft, plummy, rich fruit characterizes this easy drinking wine from the South of France, a region known for its bold and generous flavors. Just sipped, or swallowed with gusto, it's a companion to quite a variety of foods: grain and pasta salads, simply grilled poultry, lighter meat dishes — even hearty seafood stews. Good price, good wine — the right combination in every way!
