

## LUC PIRLET MERLOT

*(Vin de Pays d'Oc)*

Soft, plummy rich fruit characterizes this easy drinking wine from the South of France, a region known for its bold and generous flavors. Just sipped, or swallowed with gusto, it's a companion to quite a variety of foods: grain and pasta salads, simply grilled poultry, lighter meat dishes — even *cioppino* or other hearty seafood stews. Good price, good wine — the right combination in every way!
