Winemaking : Fermentation at low temperature and without SO2 addition. Maceration for 12 days. Pinot and Gamay are vinified separately..

Aging : Gamay is aged in cement tanks, a third of Pinot in neutral oak barrels..

... To the glass

Nice and bright red ruby robe with pink tints. A nose displaying cherry notes of Griotties, ginger bread and grapes. In the palate, the wine is very round, fruity with a touch of spice in the finish.

TERROIRS ORIGINELS
BEAUJOLAIS MACONNAIS

« My estate exists since 1840 and I took over the family estate in 1983 in Saint-Julien located near Villefranche sur Saone. Our Gamay Noir vines, the main varietal in our region, our terroirs, our artisanal work in the vineyards, are all the factors contributing to the quality and authenticity of our wines.. »
