

Saperavi Qvevri 2020

Vintage: 2020

Varietal Composition: 100% Saperavi

Vineyard: 100% Chelti Estate Vineyards

Tasting note: The wine has dark ruby color, is characterized by ripe mulberry, plum and black fruit nose. Fresh structures and vibrant palate with elegant tannins and a decent finish. The wine is fermented and aged in Qvevri according to ancient Georgian winemaking technology.

Vintage note: In the year 2020 the spring had higher rainfall than usual, providing moisture to the environment. The summer season didn't deviate significantly from the norm. Additionally, thanks to two previous years of relatively lower harvests, the soil was enriched with minerals. This fortuitous combination contributed to a more fruitful harvest in 2020. Consequently, we achieved a harvest of 6.5 tons per hectare. This wine is relatively light and well-balanced.

Harvest date: 18.09.

Yield per hectare 6.5 tons.

Bottling date: 03.12.2022
