

CHÂTEAU LA VERRIERE

BORDEAUX SUPERIEUR

Vintage 2014

80% Merlot - 20% Cabernet Sauvignon

Gold Medal Paris 2016

Situated in the Entre-Deux-Mers, Château La Verrière is located in the village of Landerrouat. The vineyard of 45 hectares is based on siliceous and calcareous soil. The average age of the vines is 25 years. A good command of the vegetation and a close monitoring of the maturity provides healthy and ripe grapes with a great richness.

At the entrance of the winery, the grapes are destemmed and transferred into vats for fermentation. Daily pumping and a maceration monitoring during 30 days facilitate the optimum polyphenol extraction. This precedes a careful aging for 18 months in barrels and vats which allows the wine to express power and elegance.

A deep purple color and at the palate, powerful and silky tannins. Serve between 16° C and 18° C. It will fit perfectly with grilled red meats and also cheeses.
