

# Domaine Le Novi

## Terre de Safres Rouge AOP Luberon

### History :

The soil of the estate is mainly composed of sandy clays called : Safres.  
What's a better name for this cuvée ?

### Blend :

60% Grenache Noir  
35% Syrah  
5% Cinsault

### Terroir :

Clay and chalky soils back to the Oligocene

**Yield :** 49 hl/ha

**Grape vines age :** from 7 to 45

### Wine process :

100% stems has been removed in 2014.  
Co-maceration with both Grenache and Cinsault in concrete tank.  
Syrah are processed separately.  
Alcoholic fermentation below 28°C.  
Maceration time over 21 days.

### Tasting note :

Red color with purple hint. To the nose, fresh red berries bouquet, slightly spicy, cocoa tones. To the palate delicate and velvety taste of red cherry, spices and liquorice tones.
