## TASTING NOTES

### OVERAGED MALT WHISKY

**OVERAGED MALT WHISKY** is a vating of single malts aged between 12 and 27 years in oak casks and resulting from a cognac (double) distillation method with a mash exclusively made of « Malt » (germinated barley).

It has been reduced to 43% alcohol by volume.

Beige amber tint.

Fragrance of dried flowers, flaxen tobacco, sherry wine, fat almond, a little smoked.

Fruity, powerful and long in the mouth.

Aimed at a balance between new pure young malts and fathomless maturity of older ones.

End of mouth : sherry roundness enhanced by a slightly smoked.

To be preferably consumed cool (14 to 15° Celsius = 57 to 59 Fahrenheit), as an appetizer as well as digestive.
