

The winery, passed from generation to generation since the 19th century, extends over 37 acres of sand and large pebbles, nearly half of which is planted with one-hundred-year-old Grenache.

"We put our heart and soul into winemaking and are deeply-rooted in Châteauneuf du Pape. We are proud of our heritage, down-to-earth, and hard working, and aim to offer you the best possible wine, while continually striving for excellence."

JULIEN BARROT

DE DOMAINE LA BARROCHE

This signature blend offers a singular wine personality, a delicate alchemy of spices and well-ripened black fruits, a delight for the senses.

"This cuvée is the one which captures the most the essence of the estate and my winegrower philosophy. My approach to wine has taken me on a quest to reveal the best of the terroir. We have made this wine with the greatest of care, taking into account the effects of both the earth and sky on the grapes and wine. While in the vineyard, we use only organic fertilizers, harvest the fruit by hand, and meticulously select our grapes. Once in the cellar, we practice gentle extraction and long, careful ageing."

Gravity-flow underground winery for gentle handling. Wine-making in tulip-shaped concrete tanks. Destemming of underripe stalks. The wine stays on the skins for over 4 weeks. Gentle extractions. Aging in tulip-shaped concrete tanks, old oak casks and 600 barrels for 20 months. The wine is not filtered before bottling.

T A S T I N G

« The 2017 Chateauneuf du Pape Signature boasts exquisite concentration. Floral notes abound, as do vibrant strawberries and cherries. It's rich and chocolaty but fresh and complex, with vivid flavors and no excess weight. »

Joe Czerwinski for the Wine Advocate - August 2018

"The 2017 Châteauneuf-du-Pape Signature is beautiful as well and has classic kirsch and blackberry fruits, lots of licorice and pepper, building minerality, and full-bodied richness. It shows the sexy style of the vintage yet has terrific density." **Jeb Dunnuck - August 2018**
