

CHÂTEAU BILLEROND

SAINT EMILION

Yes, we'll say it out loud! We like Merlot, no matter what those guys in that movie 'Sideways' say. Of course it has to be the right stuff. This is the right stuff: cassis and dark plum fruit on the nose, light to medium-bodied, and a restrained herbal and toast character on the tongue. 25% Cabernet Sauvignon and Cabernet Franc bring that Bordeaux vibrancy home.
