BLAUSCHIEFER  
PIESPORTER FALKENBERG  
RIESLING TROCKEN**

---

The spectacular blue-slate (blauschiefer) Falkenberg vineyard lies above the Goldtropfchen in a site that was once more marginal, but now with climate change makes truly compelling wine. Wild-yeast fermented in stainless, followed by some time on the lees in large barrel. Stony, herb-inflected fruit and a long, dry finish. Complex, delicious.
