« A Fabulous Vintage ! »

As autumn is drawing to a close and the wine presses have been washed and put away, the first wines tasted before being blended confirm what had been sensed: 2016 is going to be a fabulous vintage! And if some compare it to the magnificent 2010, some others do not hesitate to go as far as the famous star-vintage 1990... Either way, the evidence that we are witnessing the making of a great vintage is clear.

S O I L

This wine is the result of our aim to maximise the potential of our vineyards by selecting the plots which will give wines which are both fine and fruity and which may be enjoyed young..The grapes are from localities such as: Montalivet.

W I N E M A K I N G

The vats are gravity filled with partial destemming. The wine is made without trying to have maximal extraction, on the contrary the sought after qualities are elegance and freshness. The free run juice and the press juice are vinified and stored separately, mainly in concrete tanks where they undergo their malo-lactic fermentation. After blending the wines are matured in stainless steel vats (80%) and barrels which have stored many vintages (20%).
