

## FRANÇOIS CHIDAINÉ SAUVIGNON DE TOURAINE

The Loire valley is the home of Sauvignon Blanc, and for our money, it's still the place to find the best. Crisp and dry, lean and mineral, these wines are among the most refreshing on the planet. Francois Chidaine is one of the real stars of the area, with an uncannily sure touch. His Sauvignon de Touraine is unbeatable: bright and zingy, with classic sweetpea, apple and grapefruit flavors.
