

HOFGUT FALKENSTEIN

KRETTNACHER ALTENBERG

RIESLING SPÄTLESE TROCKEN

This was the first wine by Erich Weber we ever tasted. It embodies the domain.

Unique. Uncompromising. Stark. Pure. All right, enough of the fanboy stuff. In a way it's the opposite of Erich himself, a warm gregarious man, with a lively sense of humor. This wine is dry, searingly acidic, and doesn't make friends easily. It's one of our favorite Rieslings.
