**MONTUEIL LA LEVADE**  
*Côtes du Rhône*

---

Best known for their Châteauneuf-du-Pape, Clos du Mont-Olivet also produce this terrific Côtes du Rhône. It's unfiltered and chock-full of game and garrigue-accented fruit. Black olive, thyme and rosemary complement the dark fruit of Grenache (80%) and Carignan (10%) and a dollop (10%) of Syrah brings structure and flavor. The wine sees virtually no wood, and is all the better for it. Savory and long.
