

CA' LA BIONDA VALPOLICELLA CLASSICO

There is a distinct minerality and freshness to this medium-bodied red, that the winemaker attributes to the rocky limestone clay soil. Ca La Bionda are one of the few wineries in Valpolicella taking a Piedmontese or Burgundian approach to their vineyards. More than fruitiness or dense extract they are looking for a sense of place. 80% Corvina, 20% Rondinella. Elegant, and delicious.
