

## DOMAINE LA BOUSSIÈRE GIGONDAS 2008

World class! The Faravel brothers' vineyards are perched on the steep upper slopes of the spiky Dentelles de Montmirail. The climate is cooler there and the growing season longer, so the grapes retain an unusual freshness. The wine is made as naturally as possible, and bottled unfinned and unfiltered: rich, polished and layered, but with a wild, garrigue-scented heart.
