

PERTICAIA

SAGRANTINO 2007

Year after year Perticaia's wines win multiple awards, but arguably the most prestigious is Gambero Rosso's 'Tre Bicchieri', the three glasses signifying best in class in Italy. And they've won it once again for their 2007 Sagrantino! It's a stupendous wine, dense with minerals and layers of dark fruit. It's a terrific drink, but it's so much more as well. This is the best of Umbria, the best of Italy, in a glass.
