

LAMÉ DELISLE BOUCARD BOURGUEIL 'CUVÉE PRESTIGE'

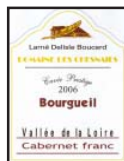

This is your Daddy's Bourgueil! In a traditional style, capable of ageing forever, but beautifully approachable now. The Boucard family were the first to bottle their own wine in Bourgueil, all the way back in 1947. They haven't lost the knack. The wines reflect the limestone terroir and the Cabernet Franc grape. There's a driving energy beneath the fruit, and a rough-hewn beauty to them in their youth. As the years pass they become positively velvety, with woody notes adding complexity and depth.
