

MONTENIDOLI

VERNACCIA DI SAN GIMIGNANO

CARATO

This is the top white from the greatest producer in San Gimignano. Free-run juice from best grapes from the best vineyards, barrel fermented and aged on the lees for a year. The result is a wine of stunning complexity and power. Like a great white Burgundy, it can benefit from decanting. The flavors run from fresh herbs and chamomile to apple and quince, almond and hazelnut. If you can bear to spare half the bottle, come back to it the next day. It's a revelation.
