

**CÉLINE & FREDERIC
GUEGUEN
SACY**

This is one for the geeks! Sacy might just be the most obscure grape in Burgundy. It's known as Tressallier elsewhere in France, but there really isn't a lot of it anywhere. Fred's version is crisp and really flavorful. Think Muscadet with attitude. It's perfect with shellfish, but we've been known to match it with a garlicky chicken gyro.
