

CLOS DU MONT-OLIVET

Châteauneuf-du-Pape

As usual Thierry Sabon has fashioned a blockbuster wine with an elegant complexity. Overtones of olives, herbs, and game match the more primary flavors of rich dark fruit. A velvety texture effortlessly conveys the wine's power, which owes its existence to the Grenache grape and the relentless sun of the Southern Rhône. This is truly textbook Châteauneuf — it's delicious now with grilled meat dishes, and as it ages notes of truffle and venison are likely to emerge.
