

SPÄTER-VEIT **RIESLING FEINHERB**

Hand-picked Riesling hailing from the single-vineyard Falkenberg on the steep Piesporter hillside, just above Goldtröpfchen. All wild-yeast fermentation in stainless-steel tanks—rare for an entry-level Estate Riesling, even among the top estates. One of the best values on the Mosel. And a litre of it! Beautifully mineral, with lovely apple and grapefruit fruit.
