

## **ST. INNOCENT** **PINOT NOIR ‘VILLAGES CUVÉE’**

*Willamette Valley Oregon*

There's a lot of great Pinot Noir from Oregon, but Mark Vlossak is the winemaker with the lightest, surest touch.

He makes wines that are true to the land, but wonderfully fresh and precise. Just like a Burgundy domaine, he offers a 'Villages' wine - more approachable than the single vineyards, but made with the same care and attention. Here we have delicious red berry fruit with floral notes and hints of underbrush.
