

MARC MOREY
BOURGOGNE ALIGOTÉ

Stop! Put down that bottle of Creme de Cassis! Aligoté has come a long way baby, and it's no longer just for kir. In fact it would be a crime to mess with Marc Morey's Aligoté. He's one of the great producers of Chassagne-Montrachet and he really knows how to let the grape shine... Crisp and racy, fantastically mineral, a wine for hot weather and fried food...
