

CHATEAU DU HUREAU SAUMUR-CHAMPIGNY TUFFE 2012

“What I like about Loire Cabernet Franc is its inherent lightness and freshness, both of which make it a versatile food-match... with their distinctive mix of red fruit, graphite, floral fragrance, acidity and chalky tannic bite, and their generally low alcohol... Those closest to my personal ideal of Cab Franc are... from the Saumur-Champigny appellation: ... **the perfectly modulated cherries of Château du Hureau’s 2012.**”
