

CHÂTEAU PIBARNON

(Bandol)

Rated one of the top wines of the Mediterranean, the Revue du Vin de France has this to say:-

“Pibarnon is a wine that reveals its virtues early, with unusually precocious fruit. But with five or six years in the bottle, the wine shows its breeding. A truly great wine, instinct with harmony, both modern and anchored in tradition. This unique cuvee expresses the whole terroir, hardly the least achievement of this iconic cru.”
