

BORG MARAGLIANO
LA CALIERA
MOSCATO D'ASTI

Moscato d'Asti is perhaps the most directly pleasurable wine on earth. Aromas of peachy Muscat grapes, sage and elderflower waft from the glass. With a barely perceptible bubble it tickles the palate, refreshing you with sweet honey and tangy citrus flavours. As an aperitivo or with fresh fruit for dessert, this is pure heaven. While its low alcohol makes for summer quaffing, it can also be the perfect contrast to a heavy winter meal.
