

CHÂTEAU DE BEAULON

PINEAU DES CHARENTES 10 YEAR RUBY

Black cherry and prunes with a hint of blackcurrant. Cinnamon, mocha and cocoa, rich and complex savours that engulf the palate. Pineau des Charentes is a mixture of freshly pressed grape juice and cognac, aged for additional complexity in oak. Chateau de Beaulon, a renowned producer of cognac, takes unusual care in the selection of both juice (only Cabernets Franc/Sauvignon and Merlot for the red) and aged cognac. Delicious on its own, with foie gras, game, strong cheese and desserts, and as a fascinating base for cocktails. Served chilled.
