CHATEAU GRAND BILLARD

BORDEAUX
APPELLATION BORDEAUX CONTROLEE

EARL Dominique Chignon - Coutures sur Dropt

Château Grand Billard belongs to the Chignon family, working hard on their vines for already several generations. They do respect the traditional work of the family habits. At Coutures, right next to Monségur, this well appreciated family brings to the wine generosity and care. Somehow the taste of the wine remind perfectly these qualities, bringing generously fruits notes and pleasure to the drinker. We call it the expression of the terroir.

This wine is now rewarded by the Terra Vitis certification (Sustainable Agriculture) from the 2011 vintage.
